

## INDIANA DEPARTMENT OF TRANSPORTATION

*Driving Indiana's Economic Growth*

### News Release

**FOR IMMEDIATE RELEASE**

June 3, 2011

### **Westbound Lanes Of Borman Expressway Open To Traffic**

*Work On Eastbound Lanes Expected To Be Completed By End Of June 2011*

GARY, Ind. – The Indiana Department of Transportation has switched traffic onto the new westbound lanes of I-80/94 (Borman Expressway). With the opening of the new westbound lanes, traffic headed toward Chicago will now have four through lanes. The ramps from Central Avenue and from southbound I-65 to the westbound Borman Expressway have also re-opened.

Work will continue for the next few weeks on completion of the center median wall. Once that is finished by the end of June, traffic on the eastbound side of the highway will also have four lanes of travel.

INDOT reminds drivers to use caution and consider worker safety when driving through a construction zone.
